

"Deer"
Artist: Riva S., age 10
New York

Deer are great at jumping, swimming and being quite... en-deering!

"American Crocodile"
Artist: Facundo K., age 12
Florida

American Crocodiles live in coastal areas of south Florida which is the very northern part of their range.

"Turtle"
Artist: Daniel, Age 5

Turtles do not have teeth. They have beaks.

"Monarch Butterfly"
Artist: Avalon, at age 10
Florida

A 2 week old monarch butterfly caterpillar weighs 3,000 times as much as it did when born.
