

"Burrowing Owl"

Photo location: Cape Coral, FL  
by Deborah T.

The eyes of the burrowing owl seem to glow golden. Perched by its burrow, this tiny owl seems to know the secrets of the world.

"Acorns Falling Down"

Artist: Ember, Age 3

Over 100 animal species have acorns in their diet.

"Tree"

Artist: Enan, Age 5

Trees convert carbon dioxide into oxygen.

"Tap Dancing Alligator"

Artist: Marja Florida

An alligator must lift its head out of water to swallow its food.
